When the API call works

The screenshot shows a web browser window with the URL `corevalues.com/collaborative-leadership-profile/`. The browser's address bar and tabs are visible at the top. The page content is partially obscured by a white modal dialog box. The dialog box contains the text: "Please fill your data so that our experts study your survey outcome and send you the results by email for free". Below this text is a large, empty white rectangular area, and at the bottom of the dialog is a button labeled "Start Now".

Visible page content includes:

- Section header: "How Go... Skills?"
- Text: "Taking this complimentary, leadership inventory and understanding your personal strengths and leadership skills and employee-centric mindset."
- Text: "Discover how you can become a better collaborative manager, public official, law enforcement..."
